

Policy Type: Governance Policy

Title: Third Party Provider Asset Policy

Effective: May 20th, 2026

Purpose

The purpose of this Third Party Provider Asset Policy is to establish general expectations, responsibilities, and procedures for Custom Class Charter School (“Custom Class”) in a manner consistent with applicable law, Utah State Board of Education rule, and the school’s flexible instructional model.

1. General Policy Statement

Custom Class adopts this policy to support lawful, safe, effective, and mission-aligned school operations. The Governing Board authorizes school administration to implement this policy through procedures, forms, training, and operational practices that are appropriate for Custom Class’s online, hybrid, community-based, and in-person programs.

This policy is intended to be applied flexibly and reasonably. When operational details are not specifically stated in this policy, school administration may establish procedures consistent with the policy, applicable law, and Board direction.

2. Applicability

This policy applies when Custom Class or a third-party provider purchases, leases, or otherwise provides equipment, devices, curriculum materials, or other assets to a student or a student’s parent or guardian.

3. Asset Controls

Custom Class may require asset inventories, checkout agreements, acceptable use terms, return procedures, replacement procedures, loss or damage reporting, and restrictions on transfer or resale.

Equipment provided to families remains subject to school procedures, applicable contracts, and state requirements. The school may recover, disable, reassign, or replace equipment as appropriate.

4. Third Party Providers

Third-party providers shall not provide improper incentives, gifts, payments, or benefits to students or families to induce enrollment or participation. Provider agreements may include requirements for inventory control, data privacy, insurance, maintenance, and return of school-funded assets.

Administration and Review

School administration may maintain procedures, forms, training materials, agreements, and internal guidance necessary to implement this policy. The Governing Board may review and revise this policy periodically to reflect legal updates, USBE guidance, operational needs, or Board direction.

Nothing in this policy creates a private right of action, contract right, or entitlement beyond that required by applicable law. If any provision conflicts with controlling law, the law shall govern and the remaining provisions shall continue in effect.
