Title: Toilet Training Requirements Policy

Effective: May 20th, 2026

Purpose

The purpose of this Toilet Training Requirements Policy is to establish general expectations, responsibilities, and procedures for Custom Class Charter School (“Custom Class”) in a manner consistent with applicable law, Utah State Board of Education rule, and the school’s flexible instructional model.

1. General Policy Statement

Custom Class adopts this policy to support lawful, safe, effective, and mission-aligned school operations. The Governing Board authorizes school administration to implement this policy through procedures, forms, training, and operational practices that are appropriate for Custom Class’s online, hybrid, community-based, and in-person programs.

This policy is intended to be applied flexibly and reasonably. When operational details are not specifically stated in this policy, school administration may establish procedures consistent with the policy, applicable law, and Board direction.

2. Toilet Training Expectations

Custom Class may establish toilet training expectations for enrollment, attendance, activities, and in-person programs consistent with Utah law and applicable exceptions. The school shall not apply toilet training requirements in a manner that violates disability, special education, health, or other legal protections.

Families are expected to inform the school of known toileting needs that may require planning, accommodations, or support.

3. Exceptions and Supports

Exceptions or supports may be provided for students with disabilities, medical conditions, developmental needs, temporary health issues, or other circumstances recognized by law. Custom Class may develop individualized plans, require parent collaboration, identify appropriate staff support, and protect student dignity and privacy.

Administration and Review

School administration may maintain procedures, forms, training materials, agreements, and internal guidance necessary to implement this policy. The Governing Board may review and revise this policy periodically to reflect legal updates, USBE guidance, operational needs, or Board direction.

Nothing in this policy creates a private right of action, contract right, or entitlement beyond that required by applicable law. If any provision conflicts with controlling law, the law shall govern and the remaining provisions shall continue in effect.
